National Seminar

on

Converging Agribusiness Acumen for Growth, Profitability and Sustainability through Agripreneurs & Agri start-ups

(CAGSAS-2022)

25-26 November, 2022

HYBRID MODE

Organized by

Sabour Agri Incubators (SABAGRIS)
Directorate of Research
Bihar Agricultural University, Sabour

In collaboration with
Agricultural Economics and Social Science Research
Association (AESSRA), New Delhi

Invitation

It gives us immense pleasure to cordially welcome in two days National Seminar on 'Converging Agribusiness Acumen for Growth, Profitability and Sustainability through Agripreneurs & Agri start-ups (CAGSAS-2022)' organized by SABOUR AGRI Incubators (SABAGRIs), Bihar Agricultural University, Sabour in collaboration with Agricultural Economics and Social Science Research Association (AESSRA), New Delhi at Bihar Agricultural University, Sabour, Bhagalpur, Bihar

Background

Agribusiness, Agripreneur and Agri-startups have become the buzzwords of the day across the world. Agricultural startups in India are still at a nascent stage, with about 1100+ start-ups trying to solve multiple emerging problems in the Indian agriculture and agribusiness environment. These start-ups are using online farm-to-consumer connect, farm management software, Remote Sensing and IoT, Robotics, mechanization and precision agriculture, novel farming systems, food safety, and traceability, agricultural biotechnology etc. to educate and facilitate the farmers and making the most of technology and converting them into easy and sustainable practices, which would make farming profitable. The biggest challenge faced by the budding agripreneurs is the lack of sustainable ecosystem for imbibing entrepreneurial culture.

This seminar aims at providing common platform and conducting healthy interactive sessions among the experts/ scientists/ researchers/ academicians/ agriculturists/ students/ economists/ environmentalists/ industrialists / entrepreneurs/ start-ups/ NGOs/ Civil Society and innovative farm youth/farmers for enabling a conducive agribusiness environment with growth, profitability and sustainability.

About BAU & SABAGRIs

The Bihar Agricultural University (BAU), Sabour was established on 5th August, 2010 to serve a leading centre of teaching, research, extension and training in the field of agriculture and allied subjects. There are 09 constituent colleges, thirteen research stations and twenty Krishi Vigyan Kendras within jurisdiction of BAU, Sabour. The Ministry of Agriculture and Farmers Welfare, Govt. of India sanctioned a RKVY-RAFTAAR Agribusiness Incubator (R-ABI) project to BAU, Sabour, Bhagalpur towards establishment of Agribusiness Incubation centre (ABI) during 2018-19. The ABI at BAU Sabour has been named as Sabour Agri Incubators (SABAGRIs) which continuously engaged in identifying and promoting agri startups in Bihar and neighbouring states.

About the AESSRA Society

The Agricultural Economics and Social Science Research Association (AESSRA) is a non-profit organization that aims to advance and improve the quality of Education and unite researchers in the field of Agricultural Economics, Extension and Social Sciences. The headquarter of this organization is located at 90, Sainik Vihar, Baprola Vihar, Sector 2, Mohan Garden, Uttam Nagar, New Delhi, Delhi 110059, India.

About the Venue

Bihar Agricultural University (BAU), Sabour is situated on the bank of river Ganges and well connected with rail and road with all parts of country. It is just 9 km away from Bhagalpur and 25 km to Naugachia railway station, respectively. The nearest airport Deoghar, Patna, Siliguri and Kolkata are located about 120, 230, 250 and 430km away respectively. Sabour can be reached from Bhagalpur railway station by paid taxi/ auto rickshaw/local trains available round the clock. The weather of Bhagalpur expected to be very calm and pleasant during November with temperature ranging between 20-25°C.
